Not sure if **Bishop Baraga Catholic School** is right for your child?

We invite you to **TAKE A SECOND LOOK!**

Why should I choose Bishop Baraga?

At Bishop Baraga, we offer a challenging educational curriculum with the highest academic standards. Our smaller class sizes allow for individual attention and a close-knit family atmosphere. We also focus on the spiritual development of our students, teaching them discipline, respect, charity and faith.

Is there financial aid available?

Yes! We have a well-funded scholarship program and work hard to make Bishop Baraga affordable for our families. If you aren't sure you can afford it, please come talk with us and see how we can help. We think it is a great investment in your child's future!

Do I have to be Catholic to attend?

No! We welcome students of all faiths and have many non-Catholic families currently enrolled. We understand that parents, regardless of their faith, want to offer their children a high-quality education that also focuses on raising respectful children with strong values.
