BISHOP BARAGA CATHOLIC SCHOOL SCIENCE FAIR

CHEBOYGAN, MI: Bishop Baraga Catholic School held a Science Fair on March 3, 2011. Students in the fifth and sixth grades were required to participate, while volunteers from second through fourth grades were also welcome to join. After presenting their projects in class, the students held a public showing that evening in the school gymnasium.

The Fair encouraged experimentation and project demonstration by the students. Each student project was displayed along with the project abstract. The projects were judged on creative ability, scientific thought, thoroughness, skill, clarity, and dramatic value.

For the fifth grade, winners were: First Place, Jackie Swiderek; Second Place, Jacob Blaskowski; and Third Place, Emily Rova. Sixth grade winners were: First Place, Macie White; Second Place, Emma Brisson,; and Third Place, Jack Ingalsbe.
