Cheboygan, MI 49721

Eagle Club Members Play Important Role

The Eagle Club is a group of individuals, organizations and businesses that have the faith commitment and generosity to annually help assist in the operations of the Bishop Baraga Catholic School in Cheboygan.

Donations from Eagle Club members help support the efforts of the Baraga Boosters. Certain levels of Eagle Club membership include raffle tickets and dinner tickets for the annual Baraga Gala held in late September.

While the Baraga Boosters organize the events surrounding the annual Gala (including the Grand Raffle), the Eagle Club provides an opportunity for many school supporters to be special patrons. Last year, the Eagle Club members contributed \$100,125 towards the \$174,000 total the Boosters were able to raise for the school's operational budget. Since 2001, this combination has helped raise more than \$1.724 million for Bishop Baraga School!

The Baraga Boosters and the Eagle Club continue to work together in helping provide the highest quality Catholic School education for our children. Being a member of the Eagle Club is a great way to help the Boosters be successful in supporting Bishop Baraga School.
