

## **Archery Club**

Our archery club has become one of our most popular activities, with almost 40 students participating. The program focuses on teaching children ages 8-12 the basic techniques of archery. No prior experience or equipment is needed. The club has compound bows for each student to practice with. From October through March, the club meets weekly on Wednesday or Thursday from 3:35 – 4:30 in the school gym. The club usually sponsors a competition in March which is open to the public for viewing.

Who: Students aged 8-12.

When: Every week – Wednesday or Thursday, 3:35 - 4:30

Where: Students meet and practice in the school gym.

Fee: There is an initial \$10.00 start-up fee and \$2.00 per class (to cover the cost of targets and equipment).
