

BISHOP BARAGA CATHOLIC SCHOOL STUDENT GUIDELINES FOR ACCEPTABLE TECHNOLOGY USE

Please read this policy carefully before signing

Access to the Internet and cell phone usage are offered to help students learn with the help of teachers for researching, studying and communication. But these tools also include some information that is not appropriate for students and the school environment. Therefore, students must agree to behave properly when using these powerful learning tools. The following rules should help a student understand what type of behavior is expected of school technology users.

1. Students must be kind and polite when using the Internet.
2. Students must use Internet/Cell phones only for school related activities.
3. Students may use the Internet and Cell phones only when they have permission from a teacher.
4. Students should not damage or mistreat computer equipment under any circumstances.
5. Students should not access files that do not belong to them.
6. Students should not copy, download or install any software or programs to or from school computers.
7. Students must not write, send, download or display obscene, threatening, harassing or otherwise harmful messages or pictures.
8. Students must not share their personal or any other persons address, phone number or any other contact information over the Internet.
9. Students should be aware that e-mail and Internet use can and will be monitored and therefore is not private.
10. Students must obey all rules stated in the Parent/Student Handbook that normally govern their behavior at school when using the Internet.
11. Cell phones will be kept in the student's backpack during the school day and will be used only with the permission of their teacher.

AGREEMENT FOR COMPUTER, INTERNET AND CELLPHONE USE

As a student, I have read the Guidelines as state in Bishop Baraga Catholic School's Acceptable Use Policy. I agree to use the Internet and all associated equipment and information in a way that is consistent with these guidelines. I understand that failure to do so will result in, but is not limited to, the loss of my network and Internet or cell phone privileges, suspension, possible monetary reimbursement if any expenses are incurred as a result of the violation, or any other disciplinary action as deemed appropriate by school officials.
